

Kontrollnachweis

A diagram of a microscope with three numbered parts. Part 1 is the base, which is a square block with a grid of dots on its top surface. Part 2 is the eyepiece, which is a long, thin tube with a lens at the top. Part 3 is the objective lens, which is a circular lens mounted on a rotating stage. The eyepiece is positioned above the objective lens, and the base is positioned below the objective lens.
