

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Structural stability

In order to check for rot at wooden parts and steel feet for corrosion, uncover the foundations once a year.

Single equipment

Please pay attention to the **separate maintenance notes** of the following single equipment:

- | | |
|-----------------------------|------------------------------|
| Platform Hut, h=0.50/1.50 m | Order No.
