

Order No. 3.12100 Small Triangular Hut

### Play value

The Triangular Hut without combination equipment is a house for family role plays and other games on one or two levels. If the Hut is combined with a slide or other attractive play equipment, it represents a versatile "mini-playground" in limited space. The Triangular Hut is an unusual basic element which adds to the value of playgrounds.

### Fundamental characteristics

- Child proportions according to ergonomic requirements
- One or two play levels
- Natural wooden surface which appeals to the senses
- Variable basic elements offering many opportunities for combination
- Incentive for playing: role games in small, cosy rooms
- Movement: climbing

### Recommended for

- Kindergarten children
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, parks or similar
