

Order No. 3.14200 Toddler's Platform Hut

### Play value

Without any combination equipment, the Platform Huts are first and foremost a creative offer for family and other role-playing games that take place on one or two levels. Complemented by a roof, the Platform Hut offers two protected rooms in which children will feel sheltered. The roof is suitable for attaching a climbing rope. The Platform Hut may also be combined with a slide, a sand play centre or other attractive equipment in order to create a small but versatile "playground" in a small space.
