

Kontrollnachweis

A diagram of a simple elevator system. Part 1 is a cylindrical motor with two vertical support legs and a horizontal shaft. Part 2 is a pulley wheel mounted on the shaft. Part 3 is a rope that runs over the pulley and down into a box. Part 4 is a small cart or basket at the end of the rope, which is shown at the bottom of the box. The box is represented by a 3D wireframe with dashed lines for the hidden edges.
