Instructions for wear checks of play equipment	The equipment must be checked for correct operation and safety, especially the points listed below:	Proof of maintenance
Playground Date of installation Checks depend on the type of equipment. Any equipment with moving parts must be checked at least twice a year, static equipment at least once a year. Intervals for maintenance work and checks generally depend on - location - usage - frequency of use - possible vandalism For more details see also our general instructions for maintenance of playgrounds! Duck Family Order No. 4.24240 / 4.24245 Chicken Family	 Wooden parts Check for rot and, if necessary, smooth out splinters and round off sharp edges of cracks. Check that all bolts and screws are tight and retighten if necessary. Recommendation: apply environmentally-friendly wax to the edges of the plywood boards twice a year. If required, touch up or renew the paintwork using a solvent-free acrylic paint. Rocking mechanism Check for wear and tear, replace rubber buffers/metal bushes if necessary. Check that ropes are securely connected. Replace if steel reinforcement is damaged. 	
Chicken Failing Order No. 4.24260 / 4.24265	 Examine the foundation by rocking the equipment once a year. 	Special notes, e.g. for repairs
	Repair not carried out, it is still possible to play on equipment	
	Repair not carried out, equipment is taken out of action	
	All work carried out, everything is in order	
	Maintenance carried out by:
