

### Play value

The friendly little bird is a multifunctional, ambience-creating furnishing element for toddler areas. It is used for cozy sitting or gentle holding and is integrated into role-playing games. Through its emotional appeal, it also serves as a memento and helps the child build a relationship with the play space. A slight spinning motion is especially fun for the littlest ones.

### Fundamental characteristics

- Child proportions according to ergonomic requirements
- Natural wooden surface which appeals to the senses
- Turning movement
- Incentive for playing: role-playing games
- Movement: riding, moving one's centre of gravity

### Recommended for

- Kindergarten children
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, parks or similar
