

Kontrollnachweis

A technical drawing of a crane hook and pulley system. The drawing shows a hook at the bottom, connected by a rope to a pulley system. The pulley system consists of a fixed pulley at the top and a movable pulley attached to the hook. The rope is anchored to the fixed pulley and passes around the movable pulley. The drawing is a side view, showing the profile of the hook and the arrangement of the rope and pulleys. The hook has a circular cross-section with a central opening. The pulley system is mounted on a vertical support structure. The rope is shown as a thick line, and the pulleys are represented by circles with internal details.
