

The equipment must be checked for correct operation and safety, especially the points listed below:

Proof of maintenance

Structural stability

In order to check steel feet for corrosion, uncover the foundations once a year.

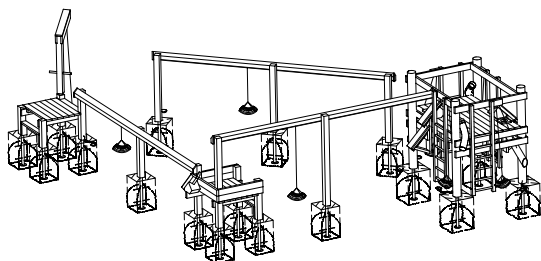

Single equipment

Please pay attention to the **separate maintenance notes** of the following single equipment:

- | | |
|------------------|-----------------------|
| Building Site | Order No.
L5.01010 |
| Transport System | 5.05001 |

Note: Please check that all documents are included!

Special notes, e.g. for repairs

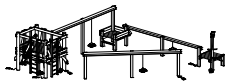

**Repair not carried out,
equipment is taken out of action**

**All work carried out,
everything is in order**

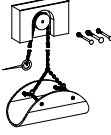

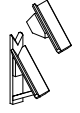

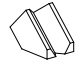

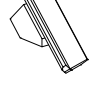

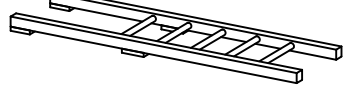

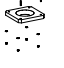

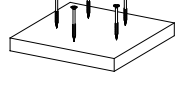

Maintenance carried out by:

..... Date

Spare parts
Building Site 09
Order No. 5.09001

Please note that the safety standards of the equipment must not be affected. Therefore, when carrying out repairs it is helpful to **only use original parts**.

Order No.	Spare parts	Order No.	Spare parts
