Order No. 5.28031 Bar Gate

Play value

Children particularly enjoy damming water. Opening the bar gate gives them the opportunity to learn about the power of water in a playful way, so they learn how to handle the living force of the element water. They are able to experience how a dam works and can observe how the water builds up.

Fundamental characteristics

- Easy handling
- Sturdy construction

Recommended for

- Kindergarten children
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, parks or similar
- Water play areas without supervision
