| <p>0.93200 tyre seat with chains length 1.97 m</p>  | |

Used tyres

To improve hygiene, the tyres/used tyres used in our production are milled and the tyre profile is removed, in which dirt particles could become ingrained.

In order to further minimise any other potential health hazards that could arise from the surface after being milled, we treat the tyres with an environmentally friendly tyre paint.

This tyre paint (order No. 0.90110 = bottle = 1 l) should be maintained during the course of maintenance and repair work.
