

Play value

Our Small Wheelchair Carousel offers unique merry-go-round pleasure. The design enables children and young people with a physical disability to bring about the circular movement with the help of a carer.

Fundamental characteristics

- Unique and original
- Highly inclusive equipment that promotes exercise
- Incentive for playing: technical design, easy access
- Movement: rotating movement, physical effort

Recommended for

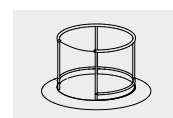

- Kindergarten children
- School children
- Young people
- Adults
- Supervised play areas, such as kindergartens, schools, after-school programmes or similar
- Public play areas without supervision, such as playgrounds, parks or similar

Barrier-free

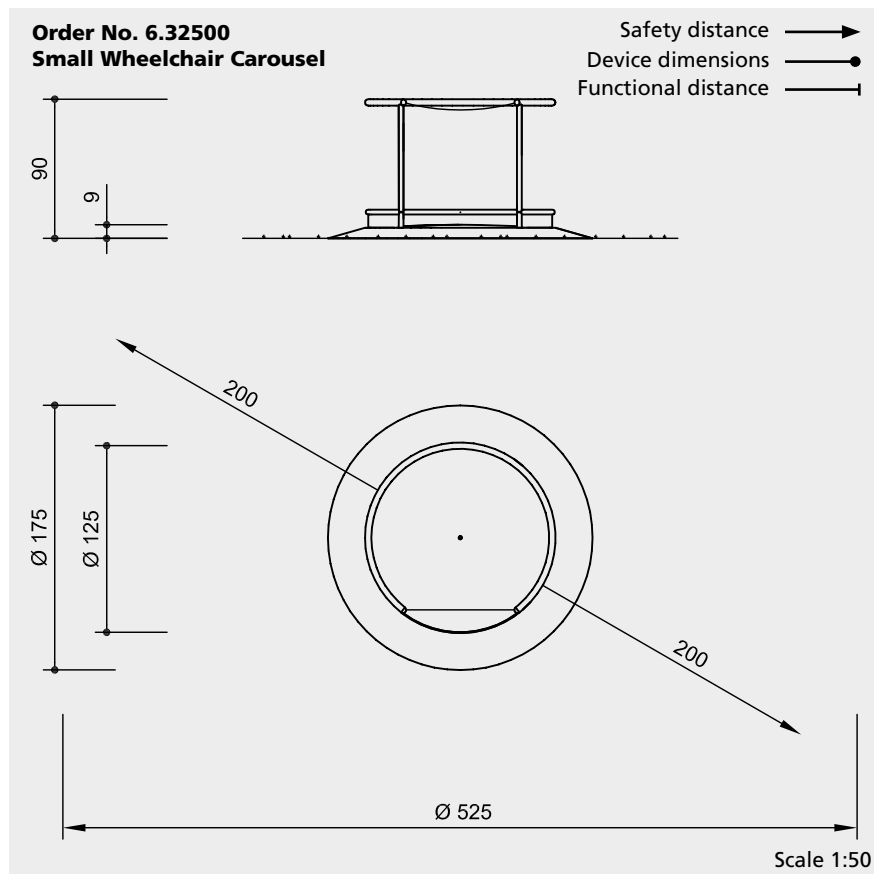

- Special exercise experience
- With a carer

Small Wheelchair Carousel

6.32500

Safety check according to DIN EN 1176
